What is On-the-Spot Recognition?

The On-the-Spot (OTS) program is an in-the-moment recognition program that rewards employees' values-driven behavior, reinforcing our Company's core values, emphasizing our Company culture, and providing timely recognition. On-the-Spot Recognition celebrates our values of Be Safe, Do Good, Do Right, Have Fun, Be Inclusive, Serve Others, and Drive Value.

Leaders and employees are empowered to recognize colleague's values-driven behavior by submitting an On-the-Spot nomination that shares the story of the core value they've demonstrated. All nominated employees are automatically entered into a raffle for cool prizes. In resorts, the employee's manager will present them with a value pin and lanyard that can be proudly displayed while working.
